

# OUTREACH TO UTAH'S SMALL BUSINESS COMMUNITY

As more information flows out of the SBA, we want to ensure that small businesses throughout the state of Utah are aware of federal and state loans, grants, and stimulus packages that are available. To help accomplish this, a teleconference will be held on

**Thursday, April 9 at 2:00 pm.**

Representatives from the Small Business Administration (SBA), Congressional offices, and the Governor's Office of Economic Development (GOED) will be available to explain the details of these resources and to answer your questions.
